

Disclaimer

OnlineBedrijfsWaardering.nl herein referred to as “We, Us or Our” is not an investment advisory service and does not offer investment advisory. All the information presented on OnlineBedrijfswaardering.nl distributed in electronic or non-electronic format via our API is for information purposes only.

We do not promote stocks in the services offered on our website or via our API. We do not have any financial interest in the development or outcome of any financial trading opportunities a user may or may not derive from the information presented in Our systems. Our purpose is to provide Our users and clients with additional insights and to offer them additional information that may be relevant to them.

Due to the prevailing laws in the United States of America as well as in the European Union (MiFiD), We cannot and do not give any financial advice, suggest trading and investment opportunities and hence cannot and do not promise any specific return on any investment.

In performing Our Service Offering, We, Our employees, directors and shareholders do not act as a bank, broker/dealer, asset management firm or investment advisory institution, and do not offer investment, trading or financial advice and do not give financial recommendations.

At any given point in time, We, Our employees, directors or shareholders may hold positions in the securities that are listed in our analysis.

Nothing contained on Our website or within Our API or any other of Our outlets or broadcasts or any written, orally or visually presented materials is an offer, recommendation, solicitation, endorsement, promotion, incentive or invitation to transact in any specific security, investment product or asset class, or to conduct any trades, investment or financial transactions of any kind.

This Disclaimer is to be read in conjunction with the disclaimer shown with the premium valuation option.

Terms of Use

Herein, We, Us or Ours refers to the OnlineBedrijfsWaardering.nl website, our API and any other parts of the our system.

These Terms of Use govern the access to and use of the Our Service Offering including the access to the website, the access to Our Service Offering accessed via signing in to the website as well as the access via any other form, such as an API.

Your acceptance of these Terms of Use is a mandatory condition for the use of Our Service Offering.

You are responsible for the way and manner in which You use Our Service Offering. We cannot be held liable for damages incurred by your use of Our Service Offering.

You may use Our Service Offering only if You are older than eighteen years of age on the day of signing up for Our Service Offering. Aside from the age limit, You may also only use Our system if You are legally capable of entering into a valid contract and not barred from entering into contracts for any reason other than age.

We may temporarily or permanently stop providing Our Service Offering for technical or other reasons and due to the nature of the circumstances, it may not be possible for Us to give prior notice. We retain the right to limit your use of Our Service Offering at any time for various reasons and cannot be held liable for the absence of the Service Offering.

The license of use granted to You as a user by Us once You sign up for Our Service Offering (either free or paid) is limited and revocable. This license to use Our Service Offering cannot be sublicensed or assigned to other parties unless this has specifically been agreed with Us in written prior to engaging in assignment or sublicensing.

Unlicensed access is unauthorized and will be cancelled by Us upon detection.

You agree not to license any of Our Service Offering to others unless this has been explicitly agreed with Us prior to licensing.

You agree not to make any copies of Our Service Offering, generate any derivative content (such as copied and pasted images of any of Our Service Offering), take any images (full or partial) of OnlineBedrijfsWaardering.nl and reprint them without Our explicit prior consent.

You agree not to use any software, excluding the software necessary for viewing Our Service Offering (such as an internet browser), that in any way tampers with Our Service Offering or accesses Our Service Offering or systems unless You have obtained Our explicit permission beforehand. This includes especially, but not only and is not limited to scraping software, software to copy or download any of Our data, crawlers, scrapers, spiders, other scripts with similar purposes.

You agree to use not more than two different IP-addresses to access Our Service Offering within a period of twenty-four hours.

You agree to and accept that We may limit or block your access without prior notification at any point in time if We believe that your account has been compromised (e.g. your password has been hacked), especially if You have three unsuccessful attempts of logging into OnlineBedrijfsWaardering.nl, or that Our Service Offering is used in an unauthorized manner as outlined by these Terms of Service as well as by the law. Crass transgression of the Terms of Service may lead to permanent exclusion from using Our Service Offering.

You agree and accept that We may block your access if We have reason to believe that You are using Our Service Offering in order to conduct an illegal activity, manipulate individuals or entities in a grave manner, cause illegal disturbance or havoc in social and political systems or any other activity that may lead to the mental or physical harm of individuals or entities.

You agree not to use Our sites or services to mock, slander or defame Us, Our employees, directors or shareholders.

You understand and agree that the use of Our Service Offering is entirely at your own risk and that You have to accept the services provided to You by Us as they are and to the extent that they are available. You agree that We will not be held liable for any losses or damages whatsoever incurred due to outages, interruptions, mistakes in, non-completeness, or absence of Our Service Offering.

You agree to accept that We cannot guarantee the uninterrupted and fault-free provision of Our Service Offering due to technical reasons and You accept that any risks resulting therefrom are the risks You explicitly accept to take by using Our Service Offering. Any reliance on the continuity and completeness of Our systems and Our Service Offering is at your own risk.

You agree that We shall not be liable for any losses or damages whatsoever relating to the use of Our Service Offering and systems, including any loss of profit or financial loss on your side or any loss of reputation, damage to your image, loss of data or other intangible loss.

Many jurisdictions have consumer protection laws that limit the waiver of certain rights. We respect these laws, hence no provision within these terms shall waive such rights granted in various jurisdictions.
